

# Registration Form 2023

This form is designed as an aid for centres making entries via the Cambridge Assessment Admissions Testing Entries Extranet. It will NOT be accepted as an entry by Cambridge Assessment Admissions Testing.

Entries must be made by centres between **01 September** and **29 September 2023 6:00 PM (BTS = UTC+1)**.

**IMPORTANT!** The above deadline is for the test centre to submit registrations on the central registration system. The test centre can only submit a registration if we received all documents (registration form, payment and payment proof). Please note that bank transfers might need 1-2 working days to arrive into our bank account (for domestic transfers, for international transfers that could even take longer) so make sure that your application arrives in full well in time.

This registration form should NOT be returned to Cambridge Assessment Admissions Testing but should be handed to your test centre. All entries must be made by registered centres via the Cambridge Assessment Admissions Testing Entries Extranet.

## Additional Information

**BMAT** - Please note, applicants must only take BMAT once in an admissions cycle.

**University of Oxford admissions tests** – Depending on your chosen course, you may need to take more than one admissions test. Visit the University of Oxford <http://www.ox.ac.uk/tests> and <http://www.ox.ac.uk/courses> pages to see which test(s) your course requires.

**TMUA** - You are not required to select your course(s)/institution(s) when your centre registers you for the Test of Mathematics for University Admission. You will need to select the institutions with which you wish to share your results on our Metritests system (you will receive details of how to do this on the test day). If you do not share your results using Metritests, your chosen institution(s) will not receive your results. Visit our website for more information about [how to share your results](#) and the [courses that accept the test](#).
